

Bayswater and Bassendean - Public Transport Information

How do you get around?

Most people use the car. A travel survey of residents in the Perth metropolitan area found that 80% of trips were by car, and most were by the driver alone.

There are travel alternatives available in your local area, and many good reasons to use them. By walking, cycling or using public transport you can reduce car trips and therefore:

- reduce local traffic
- reduce air pollution and greenhouse gas emissions
- improve your health through physical activity
- reduce your travel costs.

Wherever you are going, consider your options – that's what being TravelSmart is all about.

Public Transport

Public transport can be a quick and convenient option for many trips. When travelling on public transport, you can sit back and relax, save on car running and parking costs and avoid the hassles of driving. Try public transport for some of your shopping trips or to get to sporting events, concerts or other attractions.

- To access public transport information, phone Transperth 13 62 13 or go online www.transperth.wa.gov.au. Timetables and guides for Transperth services are available at Transperth InfoCentres, Council offices and libraries.

SmartRider Information:

SmartRider is Transperth's electronic ticketing system. It's a smarter, more convenient, more secure way to pay for your travel on Transperth services. Your SmartRider stores value or credit, your journey details are recorded (when you tag on and tag off all Transperth buses, trains and ferries) and the appropriate fare is deducted from the stored value on your SmartRider. SmartRider saves 15% to 25% off cash fares every time you use public transport. You can add value to your SmartRider via; Autoload (direct debit), BPay, Transperth InfoCentres and selected SmartRider Retail Outlets. Add-value Machines and on board buses and ferries. Cash tickets are also available, and MultiRiders can be used until they are phased out by mid 2007. To find out more about the benefits of SmartRider and other Transperth services, visit the Transperth website on www.transperth.wa.gov.au or call the Transperth InfoLine on 13 62 13.

Train frequencies:

Time	Frequency
Weekdays - Peak periods	9/17 mins*
- Off peak	15 mins
- Evening	30 mins
Weekends - Day	15 mins
- Morning/Evening	30 mins

*Peak periods are 7:00am to 8:30am and 4:00pm to 6:00pm. In peak periods trains stop at Maylands, Bayswater and Bassendean stations every 9 minutes and at Mt Lawley, Meltham, Ashfield and Success Hill stations every 17 minutes.

TravelSmart Workplace:

TravelSmart Workplace assists business, government agencies and local councils to promote travel alternatives to employees and visitors. Cycling, walking, public transport, carpooling and teleworking are all TravelSmart options. Your workplace can be part of the transport solution through TravelSmart Workplace - find out how: www.dpi.wa.gov.au/travelsmart

Walk or Cycle

There are many short trips where travelling on foot or bicycle is a good alternative to driving. A recent travel survey found that almost half of the car trips made by Perth metropolitan residents are 5km or less, 30% are 3km or less and some were just a few hundred metres.

This shows that walking or cycling is possible for many trips - such as going to the local shop or getting the kids to school. It is also a great way of fitting healthy physical activity into your everyday life.

Walking hints:

- Two trips a day will go a long way to find 30 minutes of exercise.
- Be courteous to cyclists on shared paths by keeping left.
- For information on great Perth walks and other useful walking information go to: www.dpi.wa.gov.au/walking

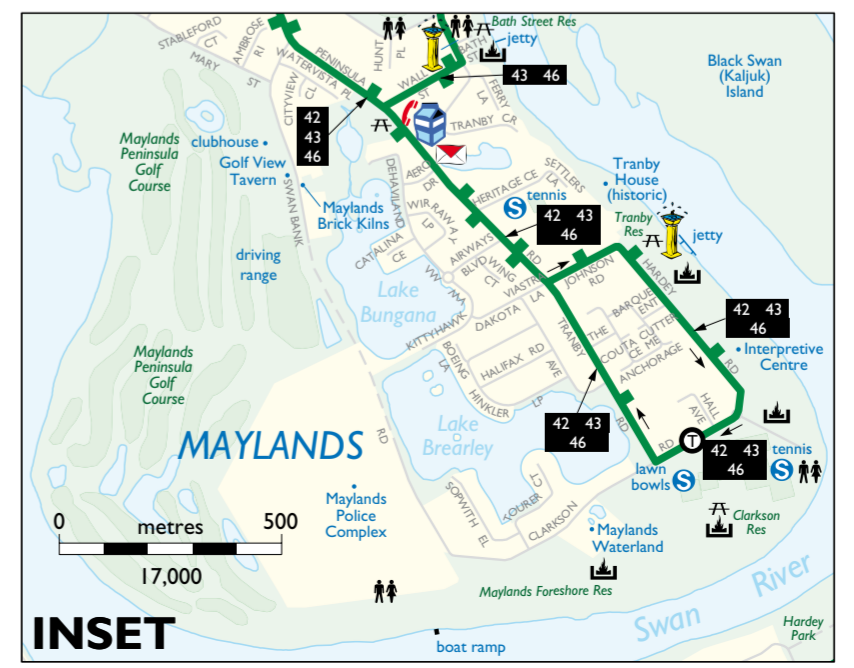

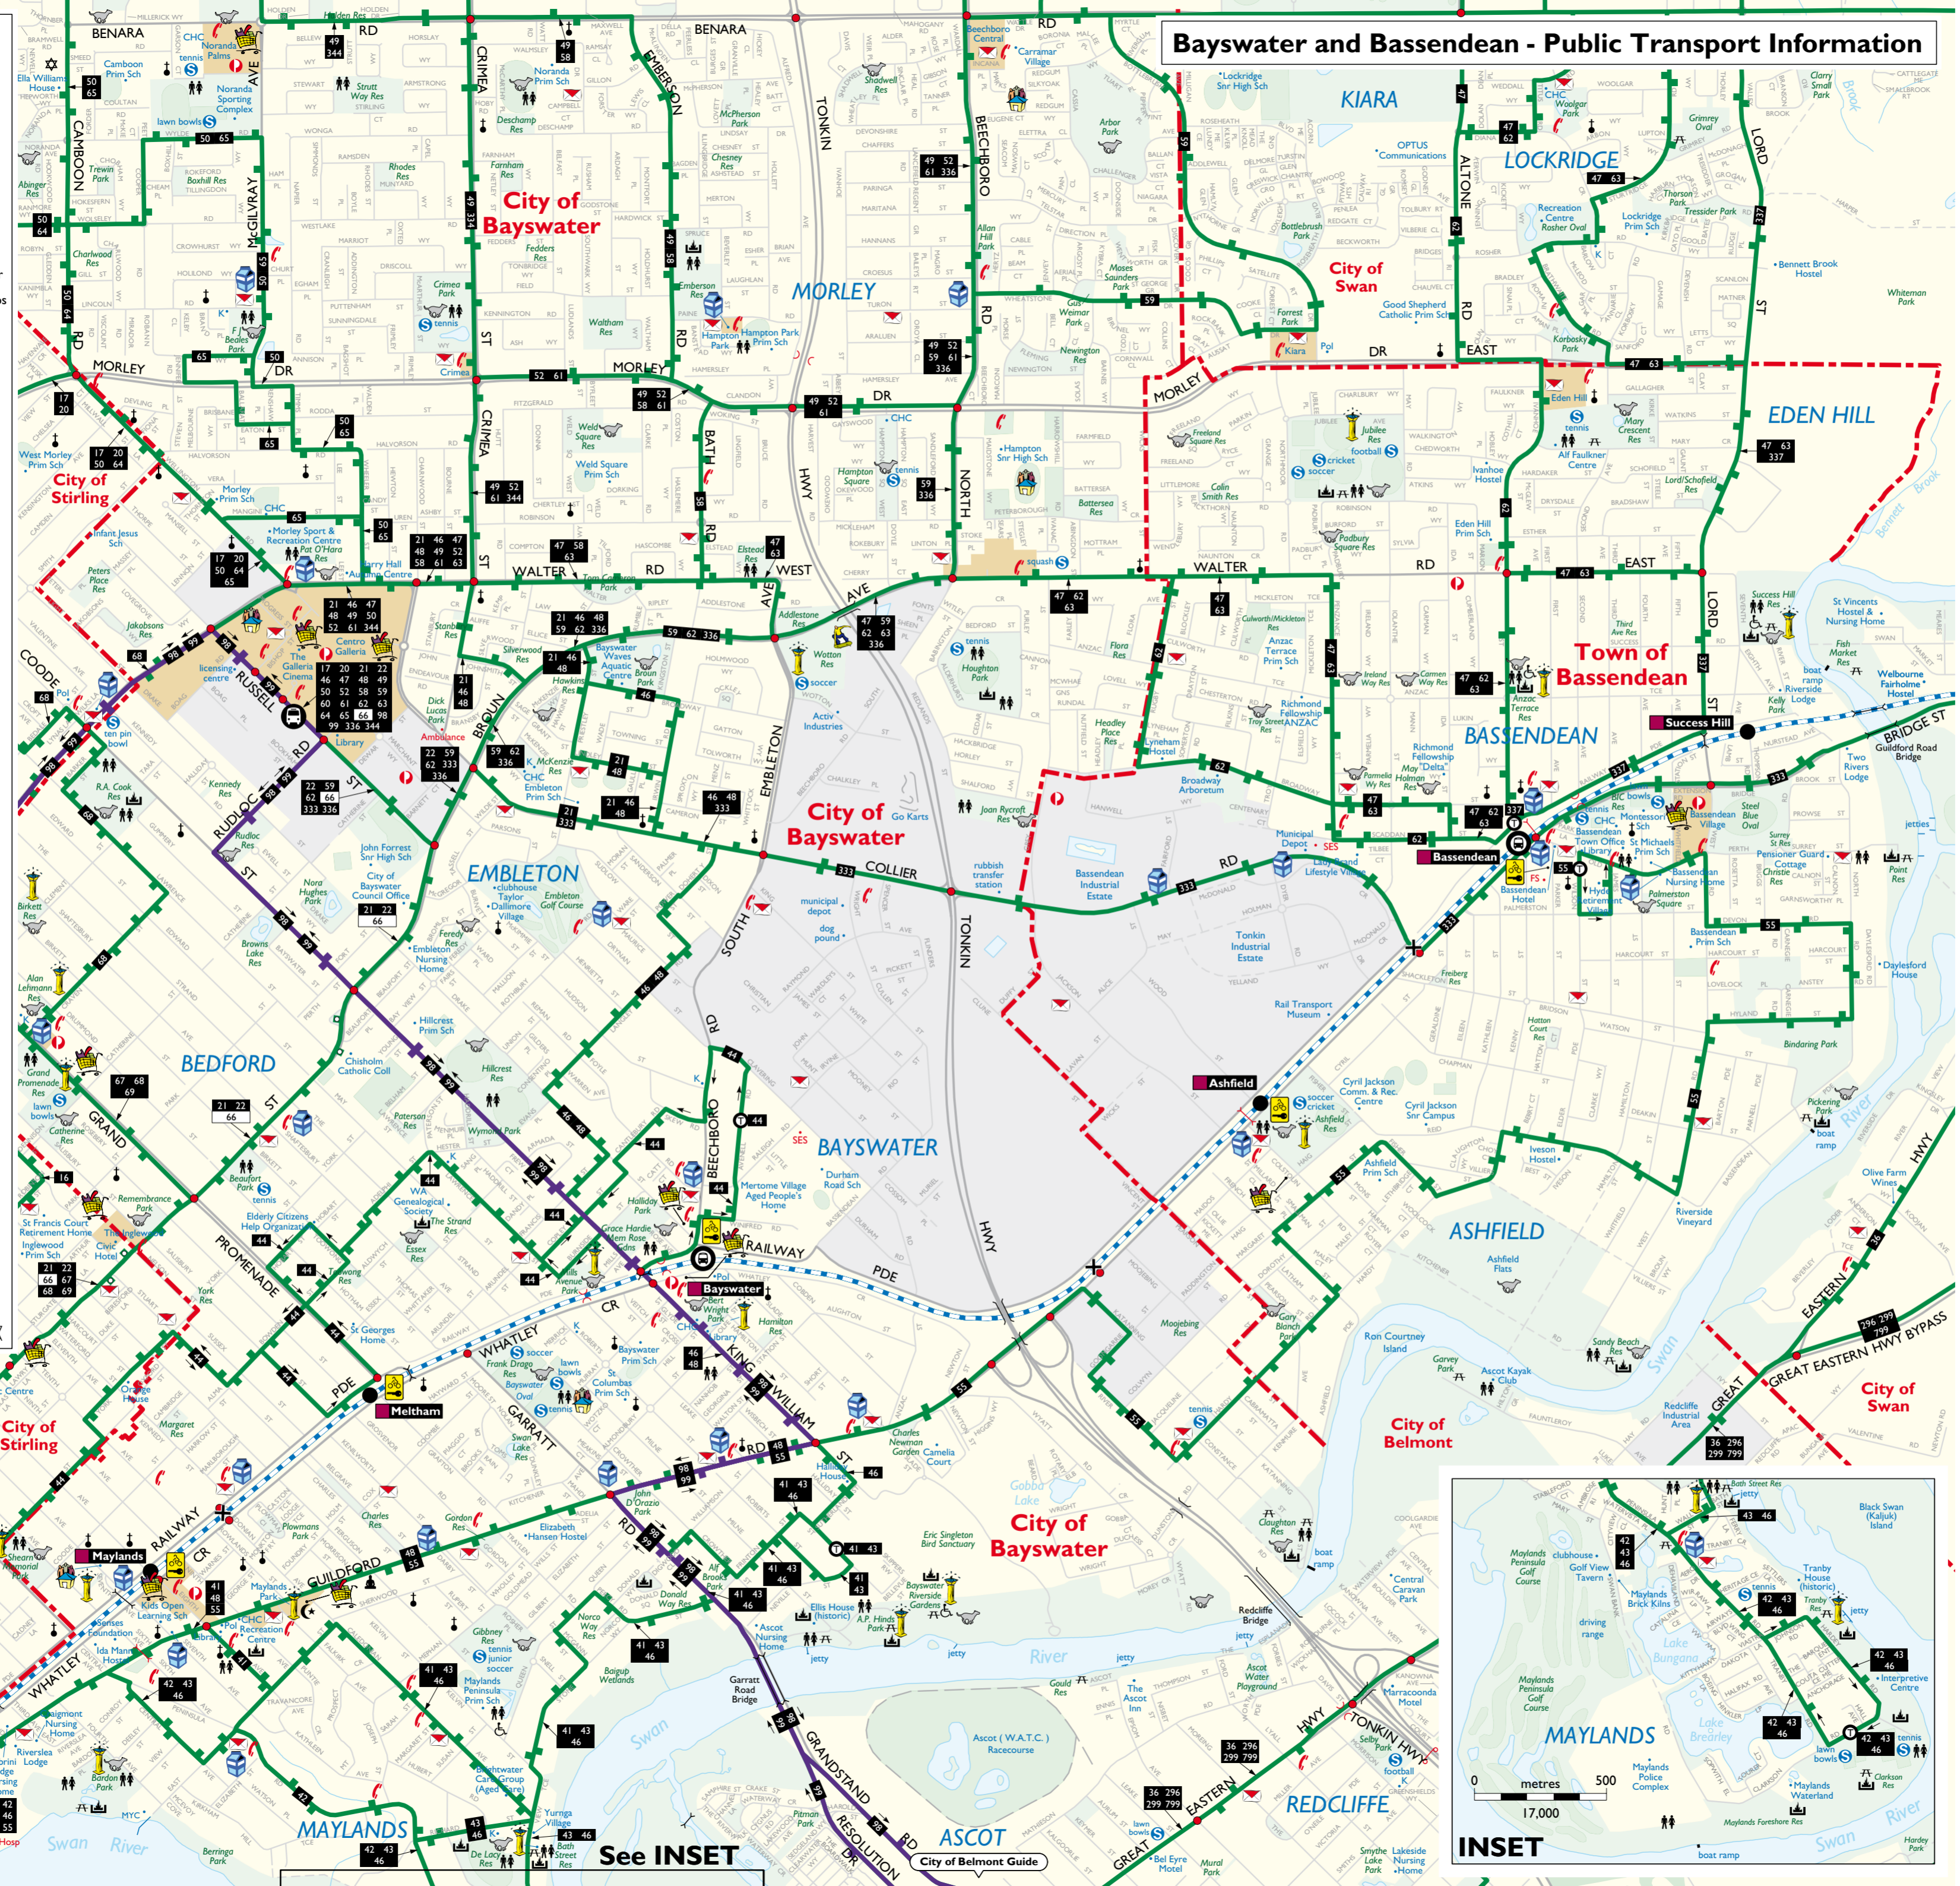

Cycling hints:

- Find a convenient cycle route. Use this map or one of the Perth Bike Map Series (more comprehensive cycling maps) that can be purchased from bike shops.
- Wear a helmet and bright clothing.
- At night, use front and rear lights.
- Talk to regular cyclists for advice on local cycling conditions.
- Be courteous to walkers who use shared paths and always give way to pedestrians.
- Bikes can be carried for free on all Perth trains, however they are not permitted on trains during the peak travel hours of 7:00-9:00am and 4:30-6:30pm.
- Further information about taking bikes on Perth public transport can be found in the Transperth website: www.transperth.wa.gov.au/PassengerInfo/BikesonTransperth
- For further cycling information visit: www.dpi.wa.gov.au/cycling

Legend
